

## Unit R3.1

1. a)  $\frac{5}{4}$                       b)  $\frac{9}{6}$                       c)  $\frac{12}{10}$                       d)  $\frac{9}{9}$
2. a) 10; 5                      b) 14; 7                      3. c
4. a) 4                              b) 2                              c) 5                              d) 9
5.  $9-4=5$
6. a) 2                              b) 3                              c) 6                              d) 7
7. a

## Unit R3.2

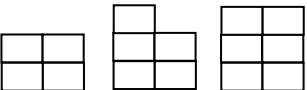

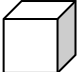

9. a) triangle                      b) circle
10. a) turn                              b) slide
12. a) yes                              b) no                              c) no                              d) yes

## Unit R3.3

16. a) 0; 0; 0                      b) 6; 12; 8                      c) 5; 9; 6
17. a) sphere                      b) cube                      c) cone                      d) cylinder
- e) rectangular prism
18. a) 2                              b) 3                              c) 3                              d) 3
- e) 3                              f) 2                              g) 2                              h) 3
- i) 3
19. a) cone                              b) cube, rectangular prism                      c) sphere
20. c                              21. cone                      23. tennis racket

## Unit R3.4

24. a) C                              b) E                              c) A                              d) B
- e) D
25. a) 20,40                      b)                       c)                       d) 

Red	Yellow	Green
-----	--------	-------
- e)                       f) 
26. c
30. 30; 50,60,70,80,90,100,110,120,130
31. a)                       b)                       c)                       d)
